About AIP Publishing

AIP Publishing is a wholly owned **not-for-profit** subsidiary of the [American Institute of Physics \(AIP\)](#). AIP Publishing's mission is to support the charitable, scientific and educational purposes of AIP through scholarly publishing activities in the fields of the physical and related sciences on its own behalf, on behalf of Member Societies of AIP, and on behalf of other publishing partners to help them proactively advance their missions. **AIP Publishing's portfolio** comprises 20 highly regarded, peer-reviewed journals, including the flagship journals *Applied Physics Letters*, *Journal of Applied Physics*, and *The Journal of Chemical Physics*, in addition to the *AIP Conference Proceedings*.

Exceptional Value for Researchers...and Librarians

Outstanding Quality

In 2015, with close to 374,000 total citations in the Applied Physics category*, *Applied Physics Letters* and *Journal of Applied Physics* once again retained their positions as first and second, respectively. They accounted for just under one quarter of total citations in this category* comprised of 145 journals.

AIP Conference Proceedings

Organizing a conference?
Enjoy fast, cost-effective publication of your meeting's key research!

AIP Conference Proceedings report findings presented at many of the most important scientific meetings around the world. Published proceedings are valuable as topical status reports providing quick access to information before it appears in the traditional journal literature.

Today, *AIP Conference Proceedings* contain over 100,000 articles published in 1,700+ proceedings, and is growing by 100 volumes every year. This substantial body of scientific literature is testament to our 40-year history as a world-class publishing partner, recognized internationally and trusted by conference organizers world-wide. Whether you are planning a small specialist workshop or organizing the largest international conference contact us, aip.scitation.org/apc/info/forthcoming

Home About Us Authors Organizers IOPscience Search

The open access IOP Conference Series provides a fast, versatile and cost-effective proceedings publication service for your conference. Key publishing subject areas include: physics, materials science, environmental science, bioscience, engineering, computational science and mathematics.

We are celebrating the 10th anniversary of IOP Conference Series and, to mark this occasion, we have put together a collection of the most influential work to have been presented at recent conferences. We want to thank conference organizers, authors, referees and readers for working with us in the past ten years. [Browse the collection here](#).

New for 2016

IOP Conference Series is launching Video Proceedings—an engaging and interactive way to increase the visibility of your conference. Email us at conferenceseries@iop.org if you want to find out more about this service for your conference.
